The Staff God has one of the most important iconographical elements in central Andean archaeology and this is prominent in both portable and fixed art using different media such as stone, textile, and ceramic. A form of the staff god, for example, takes a central role in the Sun Gate of the Tiwanaku culture, a single-stone monolith.

Staff God - Wikipedia

He is a contributor to Andean Archaeology III: North and South and A Companion to the Anthropology of Religion. "Swenson's argument will interest

archaeologists worldwide; the data itself (including seventy-four figures and tables) will be a boon to Andeanists.”—
