AEG's D20 Toolbox is, literally, a book of tables. These tables cover everything from wilderness encounters to what type of tree you might find in a tropical forest or even what type of NPC a character will randomly encounter in a castle - all of the little details a DM might not initially think of but that might be necessary to create.

The following is an attempt to catalog all the print d20 products under the sun. I've started with a quick list of official WotC D&D® 3.0 and 3.5 products, but please feel free to add more books to the list. Particularly, we have to add sections for other publishers, in order to catalog the guesstimated 2000 print d20 products that have been on the market since the release of the 3.0 PHB.
