Business policy, as defined by Christensen and others, is "the study of the functions and responsibilities of senior management, the crucial problems that affect success in the total enterprise, and the decisions that determine the direction of the organization and shape its

Business Policy and Strategic Management

In protest to the thousands of useless, ugly and pirated e-books I've put this list together of real e-books that offer real value. Oh yeah, and they're all free. Now of course, the purpose of these books is to build relationships, inform and establish the authors as experts - they are free after all.

The Best Free e-Books for Business

The book blends practicality and realism - based on the authors' years of experience in corporate industry and management development - with advances in theory. The definitive supplementary text, Business Policy and Strategy: An Action Guide, Sixth Edition captures the business curriculum in one action packed volume.

Business Policy and Strategy - Google Books

Creating a Policy Template is no easy feat, especially for start-up or small businesses as it takes time and much effort to study and implement it. However, things become more easier and accessible thanks to the Internet. And devising the correct policies is not as hard as it was anymore because today it is possible to get several policy template samples that can be downloaded and edited, such ...
