Jem Platinum 760 Service Videos | Janome Service Videos

The Janome Jem Platinum 760 caught my eye not only because of its size - about a 3/4 the size of just about every other sewing machine - it is loaded with features that are usually reserved for full size machines. It's great for taking to class, on vacation or for the dorm... and it's so user friendly, the little sewer in your life could have loads of fun learning to sew on it.
