individual's membership in a community and a culture" (Kymlicka, Liberalism, p. 1). It is this argument that Kymlicka pursues in Multicultural Citizenship, and where he argues that group rightsare part of liberal thought. Group rights

Introduction to Kymlicka, Multicultural Citizenship

Liberalism is a political and moral philosophy based on liberty, consent of the governed and equality before the law. Liberals espouse a wide array of views depending on their understanding of these principles, but they generally support free markets, free trade, limited government, individual rights (including civil rights and human rights), capitalism, democracy, secularism, gender equality ...
