MAKING THE ROUNDS shares the stories and insights of a compassionate doctor who practiced family medicine in the small working-class town of Markle, Indiana. This memoir develops the idea that, as a standard of health, communal wholeness is as important as individual wholeness, that health involves the sense of belonging to others and a place.

MAKING THE ROUNDS: Memoirs of a Small-Town Doctor. MAKING THE ROUNDS: Memoirs of a Small-Town Doctor shares the stories and insights of a compassionate and creative doctor who practiced family medicine for forty-two years in the small working-class town of Markle, Indiana. This well-crafted account develops the idea that the health of the individual is inextricably linked to the health of the community, and emphasizes the need for doctors to see the vital links between life stories.

The authors describe the book as a love letter to the people of Markle and surrounding area, people whose resilience, humor, foibles and wisdom tumble and turn on daily and lifelong rounds of their own. Making the Rounds reveals a doctor and his family's pride and love for their hometown—a sentiment one senses was wholeheartedly required.

Making Rounds with Oscar is the story of an unusual cat, the patients he serves, their caregivers, and of one doctor who learned how to listen. Heartfelt, inspiring, and full of humor and pathos, this book allows readers to take a walk into a world rarely seen from the outside, a world we often misunderstand.

Poker is any of a number of card games in which players wager over which hand is best according to that specific game's rules in ways similar to these rankings. Often using a standard deck, poker games vary in deck configuration, the number of cards in play, the number dealt face up or face down, and the number shared by all players, but all have rules which involve one or more rounds of betting.
