to have.

You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge.

My First Book About The

But access to quality education is far from equal. Significant barriers stand in the way for kids in low-income communities, including scarce books and learning materials and a lack of diversity in the books that do reach them. Even their most basic needs go unmet.

First Book

My First Book's mission is to bring the advantages of early childhood literacy to regions of the world that lack access to books. A child's introduction to literacy can be early, through the wonder of children's literature, or late, through the discipline of lesson books. The difference will color that child's life-long attitude ...

Here are 10 do's and don'ts for writing your first book: When you write your first novel, do: Plan and structure your book and your time. Writing a book is a mid-to long-term project (unless you are one of those rare authors who can churn a book out in a week or two). If you don't want writing your novel to drag on, planning is essential.
