Quelch's Gold: Piracy, Greed, and Betrayal in Colonial New England. In May 1704, an 80-ton brigantine under Captain John Quelch slipped into the cove at Marblehead, Mass. carrying Brazilian sugar, hides, cloth, guns, and gold dust and coins worth over 10,000 sterling--a huge fortune for the time.

Quelch's Gold: Piracy, Greed, and Betrayal in Colonial New ...

Whether pirate or privateer, Quelch suffered a travesty of justice, even by the legal standards of the time. His is a dramatic and tragic story about a man caught up in a political world he no longer understands. A legend persists that before they were captured, Quelch's crew buried some of their gold on Star Island off the New Hampshire coast.

Greed is the main motivation of the Corrupt Corporate Executive. It is also a Fatal Flaw of the Miser Advisor, and commonly of a Mr. Vice Guy; in the cases of these characters, they usually learn a valuable lesson at some point about what's really important. The Gold Digger is motivated by Greed — as is, often enough, the Black Widow.

Greed - TV Tropes

European shares were rising again after a two-day wobble on Thursday as China's markets continued their charge, and something between fear and greed propelled gold to a nine-year high.
