Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Rubank Elementary Method Trombone Or

The Rubank Elementary Method Trombone book has the most thorough fingering chart I know of. This means that no matter how far advanced a student gets after starting here, this book will still have an important part in their future development. I started playing using this book in 1975, and it's still my favorite of all the others I've seen.
