## **Signal to Noise - Silvia Moreno-Garcia**

In a poignant, graceful coda, Moreno-Garcia brings the book fullcircle, slyly subverting the expectations of a linear narrative and punctuating Meche's story with a hushed, lovely flourish. In many ways, Signal to Noise is a coming-of-age tale, but it's also the tale of what comes after — and what happens when forces beyond our control, magical or otherwise, are better left that way.

When I wrote my novel Signal to Noise, back then titled Sound Fidelity, I made a halfhearted attempt at finding an agent but after querying a handful of people I gave up.I was too busy and didn't have time to consider pursuing agents. It's a novel about magic and music, set in Mexico City and jumps in time between the 1980s and 2009.
