Technical Projector Terms There are many words that are specific or necessary to understanding projectors. Some think "jargon" is just a way of making a specialist feel special. But generally, having a well-defined language with which to discuss a topic helps to make certain that everyone involved has a clear picture of what is being discussed.

The letter E in the manual number indicates that a particular manual is an enemy manual. For example, Technical Manual TM E9-803 on the German Volkswagen appears just after Technical Manual TM 9-803 on the Jeep. A number of enemy manuals about foreign forces are included, like TM E30-420 Handbook of the Italian Military Forces.

Projector People : Spec Sheets

A MANUAL PROJECTOR SCREEN is operated just like a standard roll-up window shade, revealed by simply pulling the screen down by hand. Manual projector screens are a generally less expensive, more portable, and smaller in size solution than an electric projector screen. Perfect for Classrooms, Conference Rooms, simple Home Theaters.
